#### 2. Reasons for determining dividends

The Company ranks appropriate return of profits to shareholders as one of our important management challenges. We aggressively promote shareholder returns, while taking into consideration the Company’s business outlook, to better achieve both sustainable return of profits and growth of the Company.

With respect to the distribution of retained earnings for the fiscal year under review (year ended March 31, 2018), the Company decided, in accordance with its basic policy for the distribution of profits, and taking into consideration accounting and tax affairs, and in view of the strong financing needs of the next fiscal year (ending March 2019), to pay an annual dividend of ¥34 per share as an ordinary dividend (¥34 for the previous period) to shareholders as of March 31, 2018.
